ORDER:

In the reference read above, the Chairman, MANSAS Educational Trust, Vizianagaram has requested the Government to permit the Trust to go ahead with the construction of a state of Art 300 bed hospital to cater to the needs of poor people living in the backward districts of Srikakulam, Vizianagaram and Visakhapatnam. He has requested to entrust the work to a nationally renowned construction firm so that the hospital can be constructed quickly while also ensuring good quality.

2. The Government has carefully examined the above request and observed the following:

i) In the past Charitable Trusts registered with Endowments Department have entrusted major construction works to giant construction firms for speedy execution and also for achieving good quality. e.g. L&T has constructed a State of Art Hospital within 12 months in Puttaparti and in Bangalore.

ii) MANSAS Trust is not a Government Organisation. It is a private charitable trust established by the Maharaja of Vizianagaram who has liberally donated his properties. The Government as per the Endowments Act is supervising and administering the activities of the Trust in public interest. Hence, keeping in view the request of the Chairman of MANSAS Trust permission is granted to entrust this work on nomination basis through negotiations to a nationally reputed construction firm.

3. Government here by constitute a Committee with the following officials to help and guide MANSAS Trust in this process of selection of a contractor to ensure that the best construction firm takes up the work at the earliest at the most affordable price.

7	Sri Ramakrishnaiah, IAS (Retd.), Spl. Officer, MANSAS (Hospital Project)	Convenor

Contd..

4. Guidelines to the Committee:

(i) The above committee may shortlist 3 nationally reputed construction firms, call them for negotiations and finalise one of them for the construction contract.

(ii) As time is of essence, the Committee will meet as many times as necessary and finalise the contract from among the three short listed construction firms at the earliest.

(iii) The committee will finalise the designs and monitor the work during construction to ensure its early completion with 15 months preferably.
